Пояснительная записка.

Представленный мною дидактический материал «Лексико-грамматический практикум по английскому языку» предназначен для учителей, работающих в начальных классах и обучающихся 2, 3, 4 классов начальной школы.

Эта работа включает в себя теоретический материал и практические задания по темам: «Артикль a/an», «Множественное число существительных», «Личные местоимения», «Формы глагола to be», «Притяжательные местоимения», «Указательные местоимения», «Настоящее, прошедшее, будущее время», «Настоящее продолженное время», «Семья», «Мир вокруг меня», «День рождения», «Животные», «Дом, квартира», собранный и систематизированный мною за многие годы работы с детьми начального звена.

Дидактический материал «Лексико-грамматический практикум по английскому языку» позволяет развить и досконально отработать основные коммуникативные компетенции обучающихся начальных классов. Кроме того, выявляет уровень сформированности системы качества знаний, способствует самооценки обучающихся.

Цель применения дидактического материала «Лексико-грамматический практикум по английскому языку»: повторить, обобщить и закрепить основной программный материал по указанным темам у обучающихся 2-4 классов. Данный дидактический материал целесообразно использовать на любом этапе урока: первичное закрепление нового материала, повторение изученного материала, закрепление знаний и способов действий, обобщении и систематизации знаний, как домашнее задание по изученной теме. Формы проведения занятий по данному дидактическому материалу также могут быть разнообразными.

Задачи:

- вовлечь весь активный лексический запас ребенка в построение основных грамматических конструкций;
- повторить алгоритм выполнения каждого задания;
- развивать умение рассуждать, решая поставленную задачу;
- закрепить навыки выполнения тестовых заданий.

Данная методическая разработка направлена на усовершенствование следующих методов обучения и воспитания:

- методы контроля и самоконтроля за эффективностью учебно-познавательной деятельности (устный и письменный),
- методы стимулирования и мотивации учебно-познавательной деятельности (интереса к учению),
- методы организации и осуществления учебно-познавательной деятельности (самостоятельной работы и работы под руководством преподавателя, аспект управления учением).

Использование предлагаемого дидактического материала обеспечивает результативность при постепенной подготовке школьника к успешной сдаче государственной аттестации по английскому языку.
